My dear Sir,

I find that Telegrams addressed to your Private Secretary are being delivered to me here and I cannot help thinking that the abbreviated form of address adopted by your Private Secretary under Government Order No.G.3867-916/G.M.348-12-35 dated 23rd October 1914 is liable to be confusing both when you are here and I am at Bangalore.

Could not your Private Secretary's abbreviated address be modified in some way so as to distinguish him from His Highness's Private Secretary? The abbreviation "DeSec" might be suggested as a solution of the difficulty.

Yours sincerely,
